Digital & Wireless Group to Distribute Hideki Products *- New Honeywell Branded Product Part of Dist. to Duty-Free and Travel Channels -*

Tualatin, OR - (March 3, 2005) – Hideki Electronics, Inc. today announced an agreement with Digital & Wireless Group, Inc. to distribute its full line of personal electronics in all Duty Free and Travel channels.

The arrangement directed by the North American headquarters of Hideki allows New York-based Digital & Wireless Group to distribute and fulfill all Hideki product orders, including products licensed under the Honeywell brand, to travel and tax-free retail outlets without restriction.

Jim Boyle, president of Hideki, said, “The expertise of Digital & Wireless, particularly in these channels, confirms our commitment to world duty free, and further guarantees the Hideki philosophy to superior retailer support and ultimate customer service.”

With the new agreement, Digital & Wireless is showcasing the entire line of Hideki merchandise at several trade shows and exhibitions throughout the year. The Travel Goods Show in Orlando, Florida this March is the first of the product presentations. A major unveiling of the full Hideki line, including the first-ever display of the new Honeywell branded product to the duty free channel, will be at The 2005 International Association of Airport Duty Free Stores Show held in Fort Lauderdale, Florida, April 17-21. The IAADFS show allows Digital & Wireless to introduce the product at a convergence of buyers, concessionaires, and suppliers involved in duty free cruise ship stores, airline and airport stores, border stores, Caribbean retailers, and others.

Armand Ventura, President of Digital & Wireless, said, “Adding the Hideki products, and in particular the Honeywell branded line, are wonderful extensions and ideal products that Digital & Wireless can now offer to our travel and duty-free retailers. We are very excited to demonstrate the useful information that the products provide and showcase the stylish casing and compact designs at our upcoming tradeshow.”

In addition, Hideki’s full line will be presented by Digital & Wireless at The Asia Pacific Tax Free Show in May and the premiere event for the industry, The World Tax Free World Association Exhibition held in Cannes, France, Oct. 31- Nov. 04, 2005.

ABOUT HIDEKI ELECTRONICS:

Hideki Electronics was established in 1989, as a division of the publicly listed parent company, K&P International Holding Ltd.
